Grass clippings, garden refuse, tree branches and natural wood products (no nails or paint) etc. are allowed. Any plastic bags must be emptied and removed from the site. Thank you

Parking of Recreational Vehicles & Toy Trailers

When packing up or bring home your recreational vehicle or toy trailer, be a good neighbour and park it in front of your home, do not block streets, intersections, or park in any way to disadvantage your neighbour from fully enjoying their property. (Including leaving a place for their garbage bins)

Unlicensed Vehicles

Village of Vibank Nuisance Bylaw 2006-01, states that it is unlawful to have an unlicensed vehicle in your yard, if it is not in a garage. Unlicensed vehicles fall under the “junked vehicle” definition. The Village can have them removed at your expense

Property Maintenance

The same Nuisance Bylaw requires you to cut your grass (must be under 6” in height), remove weeds, trim trees/shrubs, & keep out-buildings, decks, etc. from disrepair. A nuisance is defined as impeding the safety, health, or welfare of the Village, impeding people’s use, and enjoyment of their property, and adversely affecting the amenity of the neighbourhood. The Village has seen an increase in noxious weeds like unscented camomile and wild parsley. Use caution when removing, these weeds need to be picked, bagged, and put in the garbage, not the landfill or composted.

VILLAGE HALL

The Village Hall is available for Birthdays, Anniversary Parties, Funerals, Come and Go Teas, and Family get togethers. Call the office for pricing.

FLOWER BARRELS

SEND IN A PICTURE OF YOUR VILLAGE FLOWER BARREL SO WE CAN SHOW OFF YOUR TALENTS ON OUR FACE BOOK PAGE. REMEMBER ALL PHOTOS ENTERED HAVE A CHANCE TO WIN LUNCH AT THE GROTTO.

LIBRARY

The Vibank regional Library will be open during the summer Monday afternoons, Wednesday evenings, and Friday mornings. Watch for fun special programs like rock painting...

Vibank Rocks

Vibank Rocks has everyone out walking and looking for colorfully hand painted rocks to collect and hide. So grateful to the local residents who are sharing their talents with everyone this summer!

CIVIC ADDRESS

DO YOU KNOW YOUR CIVIC ADDRESS? WOULD AN EMERGENCY VEHICLE BE ABLE TO FIND YOU?

The Village of Vibank would like to remind all residents that they should have their civic address displayed on the outside of their house or property. This will not only be helpful when a friend is coming over but also if an ambulance or firetruck is needed. Please be sure to ensure that your home has an address that is visible from the street.

Financial Statement

The Village Financial Statement is available on line at www.vibank.ca and a paper copy is enclosed with this mail out.

Has your contact information changed?

If you have changed your phone number, cell number, or email address please contact the Village Office to update the contact information we have on file. We may need to reach you in an emergency or during service disruption.

Phone books are available at the Heritage Centre, stop by and pick one or two up.

Building a deck? Adding a garage? Or shed?

Remember building and development permits are required when constructing a deck, shed, or detached garage. Information is available at the office or email village.of.vibank@sasktel.net for more information.

Building permits ensure your and others safety as well as providing confidence and assurance to a future home buyer. Don't be caught without one!

The Village Council is considering lowering the speed limit in the Village to 30 km/hour. Not too late to share your opinion.

Re: Single Stream Recycling

Dear Customer,

The recent changes in the recycling marketplace have created a huge impact across the globe, negatively affecting commodity prices and the movement of material to end destinations.

There have been many mentions in the media and across social media sites this past year, detailing the issues currently faced by material recovery facilities and municipal recycling programs.

Eg. <https://www.theglobeandmail.com/canada/article-wish-cycling-canadas-recycling-industry-in-crisis-mode/>

In order to continue providing service, it is now necessary to limit the material being placed into the bins for recycling. Effective immediately these items will no longer be accepted:

- Food Containers labelled as #1 
- Film plastic (plastic bags and stretch wrap)

Thank you for your cooperation in making these changes.
