Village of Vibank  
P.O. Box 204  
Vibank, SK S0G 4Y0

Dear Waterworks Owner/Operator:

**RE: Rescinding of Precautionary Drinking Water Advisory**

This letter is to advise that the Water Security Agency (WSA) in consultation with the Saskatchewan Health Authority, Weyburn office, has by way of this letter rescinded the Precautionary Drinking Water Advisory (PDWA) issued on October 22, 2022, to the Village of Vibank Waterworks effective **October 22, 2022**. This advisory has been rescinded after consecutive sets of samples obtained from the distribution system have returned acceptable results and the system has been flushed.

I would advise the Village to issue immediate notice to the public of the rescinding of the advisory. Further, the Village may return to its regular sampling intervals. If a positive sample is realized upon immediate return to regular sampling submission, the Water Security Agency may if believed necessary consider the issuance of a new PDWA.

Thank you for your cooperation in this regard. For further information please do not hesitate to contact the undersigned at 306-230-3184.

Sincerely,

A handwritten signature in black ink, appearing to read "Bruce Dahl", is written over a light blue circular stamp.
